130 **Half Eagle** or $5.00, 1822. Sharp, perfect impression, struck on a brilliant planchet; numerous minute nicks; very fine and of the highest rarity.

But two other specimens of the 1822 Half Eagle are at present known; one, at the U. S. Mint Collection, Phila., in fine condition, but struck on an ordinary planchet; the other, now generally understood not to have been the property of Lorin G. Parmelee, made its appearance in his sale June, 1890, and, after a spirited contest between various dealers and collectors, was finally knocked down to "Clay" (H. P. S.) at $900. The 1822 Half Eagle herewith offered will be sold at the upset price of $500, only $50 more than half of the sum several collectors appeared to be willing to pay for a specimen at the Parmelee sale two years ago.
